A Note from Dr. Perry

As fall is upon us and the end of 2017 approaches, I've been reflecting on the past year at Rancho Dental. I have much to be grateful for!

It is truly a blessing to have served the Temecula Valley for 28 years. It's a little sobering to be getting that old too! But I look forward to coming to the office every day!

A big part of that is the wonderful patients we see. Our patients are awesome. And we will always work hard to take great care of each and every one of them. We certainly aren't perfect. But we work very hard at improving every day on our patient care and how we deliver it.

I'm also thankful for my wonderful staff. We've added two new assistants (Bersila & Vanessa) and one hygienist (Andrea). They all bring great skills and energy to Rancho Dental. We did lose our long time hygienist, Gail Runyon, to retirement. We miss her but wish her all the best in retirement. The rest of my staff remains the same. That stability makes me really happy!

And finally, I'm thankful for my associate... my brother, Dr. Dan. His kindness, empathy and great clinical skills have been a blessing. We're all so fortunate to have him at Rancho Dental.

I hope all have a wonderful holiday season! And thank you to all!

*Sincerely,
Dave*

Smile Case

Adla

#8 & 9 Veneers case (two front teeth)

Dentist: Dr. Dan

Do you hide your smile because your front teeth are chipped or discolored? Our lovely patient wanted to share a bit of her story and her pictures to show the drastic change with just two veneers!

Adla came to our office a month ago to correct her cosmetic dentistry after some unfortunate experiences with different dental offices. She originally had a small chip on her front teeth and she received a faulty bonding job that did not stay in place, twice! The doctor recommended shell veneers and Adla agreed to give them a try. However the veneers began to deteriorate, stain and break as seen in the before photos.

Then she came to Rancho Dental. Dr. Dan quickly eased her worries and did an amazing job on her teeth. Adla came to our office and was very impressed with the office and the process of getting new, strong and long lasting veneers. She was so happy to have her beautiful smile back and we were more than happy to give her the smile and dentistry she deserves.

1. Refer a friend or family member to Rancho Dental.
2. Your referral schedules and attends their appointment.
3. You each receive a **\$25** credit!
4. Your name gets entered into our bi-monthly drawing!

Spotlight: 3rd Annual Dentistry from the Heart Event

Back in July, Dr. Dave Perry, Dr. Dan Perry of Rancho Dental and Dr. Kenneth Whitworth of Innovative Oral Surgery hosted Rancho Dental's 3rd Annual Dentistry from the Heart Event. This generous event is dedicated to providing a day of free dental care to those in need and it was a definite success. Together the team was able to help 61 patients!

A Dentistry from the Heart Experience: As told by Kathy

"For me the dentist is my BIGGEST FEAR [...] I tried for days to prepare myself for that day, Dentistry From the Heart. From the moment I sat down under the tent the ladies were so kind. They understood my fear while reassuring me that the dentist himself understands this fear patients have. They even had the gal come outside to do blood pressure. Dr. Dave Perry was beyond the most compassionate, understanding gentle dentist I ever encountered in my life. He saved my cracked tooth, [and did the] cleaning while allowing me to listen to Alice Cooper [...] I never felt anything. He and staff reassured me they all would be gentle. They were. I even met Dr. Dan Perry [...] He understood [my anxiety] and he too was very compassionate.

I went home got my son took him here as well [...] Once finished and out the front door my fears were gone [...] Thank you all at Rancho Dental for your expertise the service you provide to everyone. I am so thankful to you all. I will be back in 6 months for cleaning."

- Kathy C.

We are so proud to be a part of this community and are happy to contribute to its well being through events like Dentistry from the Heart and our Veterans Day.

End of the Year Reminder: Use It or Lose It!

"Don't let unused benefits go to waste!"

Your dental benefits expire December 31st.

Book your appointment with Rancho Dental today!

Dental insurance typically allows for a certain dollar amount of dental treatment per year, but your benefits do not roll over to the the next year. Not taking advantage of your total coverage is like throwing money away!

Understanding insurance benefits can be confusing and we want to help! Call Rancho Dental today and we will help you maximize your 2017 benefits with the quality care you have come to expect.
